I am currently serving as the elected Justice of the Peace in Terrebonne Parish Ward 7, which I do get a salary from the parish. Prior to being elected to this position, I would teach medical classes to the Houma Fire Department as a self-employed individual. I have been requested to teach again, now that I am an elected official, I would like an opinion before I go forward. Also, I own 33.3% of a teaching company, would this company be allowed to perform the services?
